Mr. Newton S. Miller

Dear Mr. Miller:

The United States Government, as represented by the Central Intelligence Agency, hereby contracts with you as an intermittent consultant and you, by your signature below, hereby contract with the United States Government, according to the following terms and conditions.

1. Status. Your legal status under this agreement is that of an independent contractor. Nothing contained herein shall be construed as implying the creation of an employee-employer relationship.

2. Service. In consideration of the fee set-out in the next paragraph, you agree to make yourself available to the contracting office and provide consultation as requested in a place and time as mutually agreed.

3. Fee. In full consideration for your service as an intermittent consultant, you will be paid a fee calculated at the daily rate of \$138.48. Said fees shall not exceed a total of \$5,200 under this contract.

4. Taxes and Withholdings. The Agency will make no deductions or withholdings for income tax or social security from the fees paid you. Rather, an IRS Form 1099 will be issued to you on a calendar year basis or upon the termination of this contract. You acknowledge that it is your responsibility to satisfy both your Federal and self-employment tax liabilities.

5. Expenses. You will be provided funds for travel and such other expenditures as are in consonance with the service you are to provide when authorized by the contracting office, such authorizations not to exceed those provided to employees under Agency regulations. Accountings for such funds will be rendered in conformance with Agency regulations.

6. Secrecy. By virtue of this contract, you will become privy to employees, associates, plans, programs, methods and other information of the Central Intelligence Agency, in particular, and the U.S. Intelligence Community, in general. As a specific condition of this contract, you agree to keep forever secret, all classified information so obtained, to refrain from presenting a paper, writing for publication, making a speech through any media or forum, or other public statement on the subject of intelligence, factual or fictional, on a subject related to programs and functions of the Agency or the Intelligence Community, without the prior written authorization of the Director.

14-00000

7. Term. This contract is effective as of 1 April 1975 and shall continue thereafter through 30 September 1975 unless sooner terminated by mutual consent of the parties hereto or by seven (7) day's written notice from one party to the other.

MEMORANDUM FOR: Director of Central Intelligence

FROM : Deputy Director for Operations

SUBJECT : Consultant Status for -

James Angleton  
Raymond G. Rocca  
William J. Hood  
Newton S. Miler

REFERENCE : HR 20-52 and HIB 20-8

1. Action Requested:

This memorandum requests the Director to approve the use of Messrs Angleton, Rocca, Hood and Miler as Agency Consultants for the period 1 April - 30 September 1975.

2. Background:

a. All four officers retired under the CIARDS system 31 December 1974 and are currently contract employees, contracts to expire 30 March 1975.

b. It is proposed that Subjects' services be retained under consultant status on an intermittent, as-needed basis as determined by Acting Chief, CI Operations, Mr. George T. Kalaris. In view of the long and unique experience of these officers in counter-intelligence, not duplicated in any other personnel, the new Acting Chief, CI Operations will want to have available the benefit of their advice and counsel during the next few months.

CONFIDENTIAL

CONFIDENTIAL

2

c. Payment for services as consultant for the period 1 April - 30 September 1975 shall be as follows: in each case the total allowable is one half or less of the difference between 90 percent of their former salaries and their current annuities;

- Mr. Angleton: at a fee of \$138.48 per day not to exceed \$6,000 for the period;
- Mr. Rocca: at a fee of \$138.48 per day not to exceed \$3,700 for the period;
- Mr. Hood: at a fee of \$138.48 per day not to exceed \$3,300 for the period;
- Mr. Miler: at a fee of \$138.48 per day not to exceed \$5,200 for the period.

3. Positions:

a. It is the position of CI Operations that there is a need for Subjects' services which cannot be met from on-board personnel. Coordination with Domestic Collection Division is not pertinent and has not been effected. Clearance from the Office of Security has been received.

b. The Office of Personnel affirms that on the basis of the information supplied above, this request appears to meet the policy requirements of HR 20-52, Consultants. It accordingly recommends that this request be approved.

c. The Office of General Counsel has reviewed this proposal and has found no evidence of conflict of interest.

4. Recommendation:

It is requested that approval be granted to engage James Angleton, Raymond G. Rocca, William J. Hood, and Newton S. Miler as consultants at a daily fee equal to the top step of a GS-15, which is currently \$138.48.

Dear Scotty:

On the occasion of retirement, it has been the custom to send a letter to our employees in appreciation for their services. While your retirement has been stretched a bit by your willingness to help us on the transition to your successor, I do not want the occasion to pass without this recognition.

I sincerely regret the publicity which surrounded your retirement and the circumstances under which it occurred. These should not, however, conceal the fact that you have made a real contribution to your country, to this Agency, and to the intelligence profession in your many years of service. We do appreciate this contribution and wish you the best of satisfaction and enjoyment in the years ahead.

An aggressive, independent, articulate officer, he was personally involved in the current conduct and in planning the future of counterintelligence as a function. He has exercised leadership and command in his specialty and has left his imprint on the modus operandi of his field. [redacted]

operations. His performance in these has been a model of conception and execution. He has been a hard working and gifted officer who often made self-sacrifices to get his tasks accomplished. On his departure into retirement it is appropriate to award Mr. Miler the Career Intelligence Medal in recognition of his years of superior performance.

Career Service Board

SUBJECT : Recommendation for Promotion -  
Newton Scott MILER

1. This is a recommendation for the promotion for Mr. Miler from Grade GS-16 to GS-17. Details on career background and performance, elaborated in earlier promotions, will not be repeated.

2. Mr. Miler, in the last 18 months, has taken over as Chief of the Operational Group of the CI Staff. He has done an outstanding job in directing the performance of this component. Concurrently, he has implemented significant operational and reporting activity in several sensitive Staff undertakings. He has maintained mutually beneficial exchanges on CI matters with the Federal Bureau of Investigation, with the Department of State, and with other components of the Agency responsible for security matters. The range, quality, as well as the quantity, of Mr. Miler's work, are in the highest professional tradition of the Clandestine Service.

3. Mr. Miler supervises as Group Chief a Deputy and six senior officers, six other officers and six support personnel. His unit covers the whole range of incoming counterintelligence correspondence. The problems on which he and individuals under his direct supervision are called upon daily to render policy assistance and operational guidance include - to name the principal ones - [redacted] operational and personal security flaps, presidential protection, and divisional and branch program review and planning. Mr. Miler has galvanized the whole effort along these lines and has given creative, affirmative leadership in finding solutions as well as in delineating problems.

4. Mr. Miler's performance overall has been outstanding. Furthermore, we regard him as an individual with outstanding potential for counterintelligence in the Agency and in the U.S. intelligence community. We believe Mr. Miler's performance as Operational Group Chief warrants the earliest consideration for promotion to the Grade of GS-17.

SUBJECT: Clandestine Service Senior Seminar

1. I have been some time getting around to expressing my appreciation to you and through you to the other officers who participated in the Senior Seminar. Maybe it is just as well because, as you probably are aware, a number of the findings of the Senior Seminar have been, in one form or another, acted upon. In some of the cases, action that was already underway was accelerated. In others, the Seminar produced useful insights on the basis of which action was taken.
2. I know that it was a considerable labor for you but I would like you to be aware of the fact that I and the other officers in the Clandestine Service involved in the matters dealt with by the Seminar have been helped greatly by its several findings.
3. It is probable that we will want to do another running of the Seminar later this year. If so, I know that we will benefit from the excellent pilot run which you conducted.

MEMORANDUM FOR: Secretary, CSCS Board

SUBJECT: Recommendation for Promotion -  
Newton Scott MILER

1. This is a recommendation for promotion for Mr. Miler from Grade GS-15 to GS-16.

2. The career of this officer has been notably marked throughout with relatively important responsibilities for his age. His youth, intense drive, initiative, self-assurance, capacity for work, natural talent for determining the objectives, recognizing the problem, organization of the work to be done, administering and supervising the effort, have long been evident to those for and with whom he has worked. Years of service during which he has steadily matured has resulted in a recognition, by supervisors and subordinate fellow-workers alike of his unusually wide experience, proven soundness of judgement, organizational administrative and executive talent coupled with powers of expression both oral and written and demonstrated capacity for work. He is unquestionably a very outstanding officer.

3. Having entered on duty as a Code Clerk (GS-05) in October 1946 following an A. B. degree in Economics from Dartmouth College in a Navy V-12 Program, he was soon assigned to Shanghai where he remained a short period before a TDY assignment to [redacted] Seoul, Korea. He was assigned to Mukden and [redacted] Manchuria from April 1947 [redacted] where despite being barely 21 years of age and an official designation as Code Clerk as Grades GS-5/7, he conducted Agent operations into Korea, USSR and China. [redacted] cases with X-2 officers. His talents were recognized and after TDY training at Headquarters, he was assigned to Shanghai as an Intelligence Officer. There he performed as a Case Officer and engaged in stay beyond planning, supervision of other junior Case Officers, and assisted in the evacuation of other CIA officers. Before he was 25 years of age, he established the station and served as Chief of [redacted] for some 20 months (1949-51).

4. He has successfully engaged in all types of operations - FI, CI, CA including PM and PW, but his principal talents have been in the Counter Intelligence, particularly Counter-Espionage field. His experience includes service as Chiefs of Station, Senior-Case Officer, Senior Staff Officer, and since September 1964, Deputy Chief of the Special Investigations Group of the CI Staff where he has had a major responsibility in the supervision of senior grade Counter Intelligence Officers as well as being personally and directly active in matters of a great complexity and highest security considerations. In his service in that capacity he has demonstrated his outstanding abilities as a Counter Intelligence officer. He has carried a substantial portion of the work load of his office including supervision of both clerical and officer personnel, liaison with all elements of the Agency and other intelligence and security services of the government as appropriate. It is strongly recommended that he be promoted to Grade GS-16.

MEMORANDUM FOR MR. N. SCOTT MILLER

VIA: Director of Central Intelligence

SUBJ: Expression of Appreciation (U)

1.(U) I hereby express my appreciation for service of the highest degree of excellence provided to my office during the past several months. You displayed professional competence that can only be described as exemplary in nature.

2.(U) It is unfortunate that the work on which you performed is of such a nature that it precludes a specific description herein, but that need not detract from the significance of this message of approbation. Of all the attributes displayed, the two most worthy of note are your use of imagination and persistence. These two qualities enabled you to produce results which others had not been able to obtain. Near failure was transformed into success.

3.(U) Not to be ignored is your administrative ability. The marshaling of resources available to you and coordination of the efforts of your available personnel contributed materially to the degree and quality of results obtained as well as the expeditious manner in which you proceeded. Also, selflessness was manifested by your willingness to ignore assigned working hours and press on as long as any hope existed for obtaining results.

4.(U) As you are aware, the results achieved by you have significance beyond the boundaries of the Navy. The full import cannot be completely evaluated at this time but it is known that the lives of many persons will be enriched by your efforts. It is regretted that all persons affected will not have the opportunity to express their thanks to you in person for the part you have played.

5.(U) On behalf of all persons who will benefit from your efforts, and on behalf of the Navy and myself, I again express my deepest appreciation and say to you a most hearty "Well done".

6.(U) If it is consistent with the policy of your Agency, it is requested that a copy of this letter be placed in your official record.

MEMORANDUM FOR: Chief, Africa Division

SUBJECT: Recommendation for Promotion - Newton Scott Miler

1. It is recommended that Newton Scott Miler be promoted from his present grade of GS-14 to GS-15. Miler was assigned to the Africa Division on 9 July 1961 and assumed his present position of Chief of Station, Addis Ababa, in September 1961. He has been in grade since 24 March 1957. In accepting his present assignment Miler assumed responsibility for a very complicated operational program requiring considerable reorientation and modification. In a short time he has been able to give purpose and direction to operations which previously had been the subject of considerable controversy within DD/P. It is worthy of note that Miler has accomplished this with an almost entirely new team, few of whom had any previous experience in African operations.

2. Under normal circumstances, the Supervisor would be inclined to delay a promotion recommendation pending further opportunity to observe first hand the performance of the individual. It is felt that Miler is a justifiable exception to this rule. Prior to his assignment to the Africa Division, Miler had been recommended for promotion by his former Supervisor who is presently Deputy Chief, CI-CE Staff. This man had apparently felt so strongly about Miler's performance that he had suggested that Miler be the one man on the CI-CE staff who should be given a jump promotion to supergrade. If necessary a memorandum supporting the remarks made can be obtained.

3. In addition to the above, the Supervisor has been associated with Miler in a professional relationship since 1946. The only gap in continuity was from the period 1956 to 1959. It is felt, therefore, that the Supervisor's evaluation of Miler's knowledge, ability, experience, and potential bears weight.

MEMORANDUM FOR: Acting Chief, CI Staff

SUBJECT: Recommendation for Promotion of  
Newton Scott Miler

1. It is recommended that Mr. Miler be promoted to Grade 15.

2. During the two years that he has been an officer of the Operations Group of the CI Staff Mr. Miler has demonstrated an exceptional ability to interpret counterintelligence experience and practice in guiding operations in this area throughout the divisions of the DD/P. He has applied field experience gained in one area, combined with expertly informed Headquarters knowledge, to intricate and sensitive problems affecting U. S. security in a variety of geographic areas from the Far East to the Western Hemisphere and Europe with outstanding skill and sureness of judgment. He is aggressive, devotes long hours uncomplainingly to his tasks, and willingly contributes his guidance to officers of less experience. In personal relationships throughout the Clandestine Services he is admired, respected, and well-liked. His recommendations are eagerly sought and contribute in major fashion to increased effectiveness in carrying out the CI mission. It is again strongly recommended that he be promoted to GS-15.

SUBJECT : Recommendation for Promotion of  
Newton Scott Miler

1. It is recommended that Mr. Miler be promoted to Grade 15.

2. Since July 1958 Mr. Miler has been serving in the Soviet/Satellite Branch of the CI Staff, Operations Division. In this position he has made a major contribution to the CI mission in his daily contacts with elements of the DD/P, Office of Training and Office of Security. Mr. Miler has excellent motivation, works long hours, readily accepts responsibility, and is highly effective in expressing his views both orally and in written form. He is resourceful, imaginative, and his operational judgment is superior. The frequency with which his professional advice is sought on an informal and personal basis is clear evidence of the high regard with which he is held by many individuals in the Clandestine Services. I strongly recommend him for promotion to the next higher grade.

2. The subject has been in his present grade since 2 September 1951. During this period he was assigned to [ ], a case officer responsible for [ ] independent operations. SUBJECT: Promotion for Newton Scott Eiler

1. It is recommended that Mr. Newton Scott Eiler, Operations Officer, [redacted] station, be promoted from CAF-7 to CAF-9. Mr. Eiler has been carrying out the functions and responsibilities of a CAF-9 officer for sometime. Records indicate that he was put in for promotion to CAF-7 August 1, 1947. Through delays caused by the long route from [redacted] to Washington and by the reorganization of our promotion policy last winter, Mr. Eiler was not promoted until March 2, 1948.

2. He has performed with distinction as an operations officer in

[redacted]

3. Mr. Eiler feels that he has been in grade longer than the record shows because he was under the impression that action in the field set the date of the new grade. While this is in error, the field practice of giving a detailed notice of what would result from promotion in way of deductions and net pay tended generally to give employees the impression that promotion actions were definite long before they actually were. This paper work has since been stopped.

4. Because this operations officer has performed in an outstanding way, because he is truly needed in the field, and because he has great long term value to the organization and should be encouraged to develop, it is recommended that he be promoted to CAF-9 effective on the completion of his TDY when ready for return to [redacted].

2. It is my understanding that in June 1948 the 18 months contract which I signed before leaving the United States in December 1946 will have expired. If this is the case I would like to take advantage of the expiration of the contract. However, even if, in June 1948, my contract has not expired I request that I be returned to the United States on TDY duty.
3. It is further request that my wife, Nell Stine Miler, be allowed to accompany me and that we be permitted to fly to the United States.
4. Mrs. Miler's contract with the organization expired 30 November 1947 but she has remained in  since that time and she desires to return to  with me and continue working with the organization.

Dear Bob,

Thank you for initiating action on my promotion and for attempting to obtain a transfer. I understand the situation about the transfer and realize that nothing more can be done in the field. I am satisfied, however, since no complications will arise from my being carried as George Becker.

I have signed the personal action papers and this is, I hope, a rough draft of a job description.

Thanks again, Bob

*Scott*

Dear Scotty

Enclosed please find personal action papers for your promotion. Please sign all four copies and return as soon as possible. Also, please prepare a job description in rough draft. I will have it edited and typed on the form.

A cable was sent to Washington asking for your transfer and promotion and an answer came back advising that it was impossible to transfer personnel from one branch to another in the field. The only place possible would be Washington after you return to the States. They advised that all personnel in the field were assigned to PSRO and that we were free to use personnel in whatever capacity we deemed best and that promotion papers be pouched to Washington for their consideration. This evidently is their policy because Benenan and Hoover have both received raises and are working for Services though originally sent out for Commo work by Washington.

You are doing a good job, keep it up and don't forget to have a good time while Nell is there.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Newton Scott MILLER (012773)  
Reporting Period 1 February 1973 - 31 January 1974

1. Mr. Miller is a uniquely qualified senior officer who has specialized in counterintelligence. He has particular competence in background and management of sensitive counterintelligence cases of the Agency and of the other elements of the U.S. intelligence community. He is independent and aggressive in viewpoint, articulate, and personally deeply involved in the current conduct and future of counterintelligence as an operating function. He has excellent potential in the exercise of leadership and command in the counterintelligence specialty; in this respect I regard him as being without a peer among the younger officers in the DDO.

2. He has been a most dependable worker and counselor in the reorganization that has taken place in the DDO over the past year. He has been an unfailing source of constructive, forward-looking suggestions and ideas, not only with respect to the problems in his own specialty, but in the work of CIOPS as a whole. He made specific contributions to the formulation of the CIOPS Charter (DON 1-1180) and its organizational implementation (DON 1-1216). As a consequence of the reorganization of CIOPS, he has been designated as an Associate Chief, Counter Intelligence Operations for Operations. In conformity with the indication of Chief, CIOPS he has reorganized his component accordingly and commands resources consisting of 17 officers and junior officers and six clerical personnel (one GS-15, five GS-14s, five GS-13s, three GS-12s, two GS-11s, one GS-08 I.A.; one GS-07 clerical, two GS-06s, three GS-05s) through which he covers

He has charged each of his operating sections with appropriate Letters of Instruction. He is meticulously informed of the work going on in each of his charges. Under his guidance and instruction there has been significant and measurable production and results during the past year. His performance of this task has been a model of conception and execution and reflects most favorably on his capacity to exercise command and leadership.

3. Mr. Miller is a case specialist in sensitive counterintelligence matters. He has a career accumulation of exposure, recall, and operational insight into past and present activity along these lines with the FBI, State Department, Department of Defense, and the military agencies. He is skilled in the conduct of counterintelligence and security liaison on a senior level with these agencies. It is noteworthy that he has the confidence of the FBI leadership and in the past year he has worked on sensitive counterintelligence cases

[REDACTED]

working directly under the Chief, CIOPS in this respect. This task brings him into close and continuing relationship with the appropriate component of the Joint Chiefs of Staff and other interested Federal agencies. Because of his grasp and appreciation of the day-to-day problems of the charter responsibilities of CIOPS, he takes part actively and effectively in the training and doctrinal presentations within and outside the Office of Training (OTR). In particular, he participates in senior-level OTR training activities (the Mid-Career Course) and during the period under review in a special advanced counterintelligence course sponsored jointly by OTR and CIOPS for senior officers of the Office of Special Investigations/Air Force (OSI/AF) and in FBI retraining of its field officers in counterintelligence matters.

4. In addition to his managerial and advisory functions outlined above, Mr. Miller is charged with the management of specific live operations under the direction of Chief, CIOPS. Among other things, he is charged with the handling of a difficult and complex [REDACTED] contact. This relationship requires the dedication of very much of his own time, and the presentation of detailed contact reports on a continuing basis and the maintenance of a very high order of personal and professional discipline.

5. It is impossible to say too much in praise-worthy description of the performance of this officer. He is one of the hardest working.

SUBJECT: N. Scott MILER  
1 April 1970 - 29 February 1972

1. Mr. Miler directs and supervises the Operations Group of CI Staff consisting of 21 people; 16 of whom are officers. This Group gives staff day-to-day guidance, program support and technical guidance and review to the Clandestine Service's area Divisions and Branches on the Agency's current counterintelligence operations and activity. This Group reviews Agency counterintelligence operational plans, projects and amendments. It judges their technical feasibility and recommends changes and/or approval of such operations and programs.

Mr. Miler supervises personally the activity of his operational personnel in the performance of these duties. He conducts liaison, including specialized reporting and participates in working groups with other U.S. government components, in particular with the FBI, on operations and matters of sensitive counterintelligence and counterespionage as directed by the Chief, CI Staff.

Under the direction of Chief, CI Staff he participates in the Inter-Agency Working Group concerned with operational deception. In the course of his work he formulates CI policies, procedures and guidelines, develops new ideas and approaches and targets for CI operational and research projects that cut across Agency and government lines and require central coordination.

2. Mr. Miler plans, develops and conducts special cases including the handling of live operational sources as directed by C/CI Staff. He takes an active part in the maintenance, development and participation in sensitive, personal level working relations with the intelligence and security representatives of four foreign countries.

3. Mr. Miler is one of our counterintelligence leaders. He has a tremendous capacity for hard work and a willingness to perform the work without reference to time or personal interest. He is an extremely loyal individual. He has an extraordinary memory for operations and an ability to work constructively and usefully with details. MEMORANDUM in Lieu of Fitness Report

SUBJECT: Newton Scott MILER  
(1 April 1969 - 31 March 1970)

DE 90  
1. During the current rating period Mr. MILER was transferred from his previous position as Deputy Chief of the Special Intelligence Group of the Counter Intelligence Staff to the position of Chief of the Operations Group of the same Staff. This was a new position and as such required unusual skills and vigor to give dimension to the job to be done. Mr. MILER approached his task with imagination and energy. He inherited an incohesive group of capable officers and immediately began the task of trying to define common denominators for their operational activities, to weed out duplicatory and marginal tasks, to establish clearly delineated guidelines and to provide a sense of discipline, all aimed toward giving better counterintelligence guidance and support to the operations of the area divisions and the operational components of the CA Staff.

DE 90  
2. At the same time Mr. MILER has continued to handle, under the direct guidance of the Chief, Counter Intelligence Staff, a number of extremely sensitive cases to which he has contributed analytically and developmentally. The cases required not only keen operational sense in their handling, but a strong feeling for liaison as many of the cases involved frequent high-level discussion and negotiation with other components of CIA as well as with outside agencies and departments. In fulfilling these responsibilities, Mr. MILER has worked without regard to hours or to his personal convenience. He has assiduously tried to reflect the thinking of the Chief of the CI Staff and to relate it to the operational problems he is handling. He has also given mature, insightful supervision and encouragement to the orientation and development of a Deputy Chief, Operations, another important innovation in the Staff's organization.

DE 90  
3. As a member of the Program Review Panel Mr. MILER contributed fully in examining, reviewing and commenting on the programs of the operating components within the Clandestine Service. He, together

with other members of the Panel have striven to devise a formula to give management a clear, concise picture of what we intend to do and what we are doing and have done to make those intentions reality.

0551

5. While being able to adjust his own thinking when and as required by a given situation, Mr. MILER has strong personal convictions on operational matters and does not hesitate to advance his opinions or to push for his recommended solutions.

6. Mr. MILER is currently directing an office which includes in its complement one GS-16 and ~~one~~ <sup>3/4</sup> GS-15s. He is also responsible for the career development of ~~one~~ <sup>eight</sup> more junior case officers. The above is in addition to the normal supervision of the remaining group staff. In performing these functions, he is cost-conscious and economizes in the expenditure of government funds and the valuable time of senior officers.

7. Mr. MILER would be the first to admit that many problems remain for him in his current assignment. He would also readily acknowledge that he has not yet been able to clearly define each of these problems or to provide the perfect solution for every one which has been isolated. Progress, however, is being made every day and Mr. MILER clearly demonstrates that his promotion to GS-16 in 1969 was deserved and that it will not be the last which he will merit. This is an officer of high professional integrity and dedication. He is a self-starter, he works and thinks realistically. He speaks his mind when he has something to say - including critical things, yet retains a good sense for the craftsman's side of the CI job. He is not adept just at identifying problems, he finds the solution.

This should not be interpreted as meaning that the station has failed to mount new operations; merely that fewer key operations have been mounted than Headquarters would have desired.

<p><b>W - Weak</b> Performance ranges from wholly inadequate to slightly less than satisfactory. A rating in this category requires positive remedial action. It is entirely satisfactory and is characterized neither by deficiency nor excellence.</p> <p><b>P - Proficient</b> Performance is more than satisfactory. Desired results are being produced in a proficient manner.</p> <p><b>S - Strong</b> Performance is characterized by exceptional proficiency.</p> <p><b>O - Outstanding</b> Performance is so exceptional in relation to requirements of the work and in comparison to the performance of others doing similar work as to warrant special recognition.</p>

SECTION C		NARRATIVE COMMENTS	
<p>Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective the employee's overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Apply or explain ratings given in Section B to provide basis for determining future personnel action. <u>Manner of performance of managerial or supervisory duties must be described, if applicable.</u></p> <p style="text-align: right;">OFFICE OF RECORDS APR 29 3 37 PM '63</p>			
<p>Subject has been at his present post for about eighteen months. He has been working against most difficult targets involving a government and a society enormously frustrating to deal with. In the light of this situation, it can only be said that the results of his efforts have been gratifying. Subject's performance, in any case, has been highly professional. He has succeeded in effecting a great amount of clarity regarding some fairly long-standing and complicated operational activities. He is particularly strong in the CA field. This is Subject's first assignment as a Chief of Station and it is interesting to observe that he possesses a great deal of natural managerial skill. In supervising subordinate personnel he has also considerable competence. Although he has experienced difficulty in the handling of one officer, there is no evidence that Subject has fallen short of doing his duty. Morale at his Station is high. Reference should be made to Subject's highly-developed sense of integrity and intellectual honesty. Another strong and useful attribute is his innate sense for anticipating possible problems and to act upon them before they evolve. If there is any weakness in Subject's performance as Chief of Station, it is probably the occasional belated communication to Headquarters. This Branch considers itself fortunate to have Subject in his present position and supports his desire to extend for one year beyond the expiration of his present tour. Subject's promotion during 1962 is further evidence of Headquarters' confidence in him.</p>

## SECTION E NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE

Stress strengths and weaknesses demonstrated in current position. Indicate suggestions made to employee for improvement of his work. Give recommendations for his training. Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

Subject has had lengthy experience both in field and headquarters operational assignments emphasizing FI and CI objectives. He is particularly mature in applying tradecraft principles and faces operational situations with detachment and balance. Subject approaches and executes his tasks with careful planning and forethought. He is attentive to detail; conscientious to duty. While Subject tends to be somewhat reserved, perhaps cautious, in a strange situation, he displays an even temperament and honesty toward associates and contacts.

This is an unusually qualified officer in experience and ability, uniquely suited to the long range needs of DD/P. During the period covered by this report he was recommended for promotion to GS-15.

COMMENTS OF REVIEWING OFFICIAL	
A combination of illness shortly after arrival at station and subsequent lengthy royal mourning periods have given Miller less opportunity to show his talents than would otherwise have been expected. However, nothing has occurred in Addis to change the above high evaluation.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Newton Scott MILER  
1 May 1959 - 31 December 1960

The performance of this officer since his last Fitness Report has continued to be outstanding in every respect, as indicated in repeated CI Staff recommendations for his promotion to Grade 15 attached hereto. The additional seasoning which he has gained in his present position during this period qualifies him to be Chief of Station in an area having an active unilateral operational program and fruitful liaison relationships.

Stress strengths and weaknesses demonstrated in current position. Indicate suggestions made to employee for improvement of his work. Give recommendations for his training. Describe, if appropriate, his potential for development and for assuming greater responsibilities. This officer has had wide operational experience and, given his age (33), has outstanding potential. He is forceful, confident, and resourceful. With a little more seasoning in Headquarters he will be qualified to be a chief of Station in a large post.

## SECTION C. JOB PERFORMANCE EVALUATION

1. RATING ON GENERAL PERFORMANCE OF DUTIES

DIRECTIONS: Consider ONLY the productivity and effectiveness with which the individual being rated has performed his duties during the rating period. Compare him ONLY with others doing similar work at a similar level of responsibility. Factors other than productivity will be taken into account later in Section D.

5	1. DOES NOT PERFORM DUTIES ADEQUATELY. HE IS INCOMPETENT.
	2. BARELY ADEQUATE IN PERFORMANCE. ALTHOUGH HE HAS HAD SPECIFIC GUIDANCE OR TRAINING, HE OFTEN FAILS TO CARRY OUT RESPONSIBILITIES.
	3. PERFORMS MOST OF HIS DUTIES ACCEPTABLY. OCCASIONALLY REVEALS SOME AREA OF WEAKNESS.
	4. PERFORMS DUTIES IN A COMPETENT, EFFECTIVE MANNER.
	5. A FINE PERFORMANCE. CARRIES OUT MANY OF HIS RESPONSIBILITIES EXCEPTIONALLY WELL.
	6. PERFORMS HIS DUTIES IN SUCH AN OUTSTANDING MANNER THAT HE IS EQUALLED BY FEW OTHER PERSONS KNOWN TO THE SUPERVISOR.

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. Descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to all people. On the right hand side of the page are four major categories of descriptions. The scale within each category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells you each the individual applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

12.	<p>IN WHAT RESPECT IS THIS PERSON'S PERFORMANCE ON PRESENT JOB MOST NOTICEABLY GOOD OR OUTSTANDING?</p> <p>Subject's outstanding qualification is his initiative.</p>
13.	<p>ON WHAT ASPECT OF PERFORMANCE SHOULD THIS PERSON CONCENTRATE EFFORT FOR SELF IMPROVEMENT?</p> <p>Effort should be made to improve his general headquarters techniques. This will tend to occur as he continues in a headquarters position of responsibility. Nothing should be done to limit his initiative and enthusiasm; he is fully capable of recognizing the need for tempering his drive to suit headquarters standards.</p>
14.	<p>COMMENT ON THIS PERSON'S ABILITY TO HANDLE GREATER RESPONSIBILITIES NOW OR IN THE FUTURE.</p> <p>At the conclusion of his headquarters tour, subject will be ready to assume a key position on a large staff, or in a small station. No greater responsibilities should be given subject during the next year, during which time he will adjust from field to headquarters. As of 1 June 1953 subject became Chief, FE/2 CE.</p>
15.	<p>ARE THERE OTHER DUTIES WHICH BETTER SUIT THIS PERSON'S QUALIFICATIONS? (Recommend appropriate reassignment, if possible.)</p> <p>Subject is presently best suited to CE work. At the close of this tour, consideration should be given to shifting him to positive intelligence operations, the conduct of which will be strengthened by his CE experience.</p>

This is based on subject's performance in CE during the period covered by "A" and "B" of item #7 when subject worked under the reviewing official's supervision. Subject is a highly qualified operations officer with demonstrated executive abilities. His primary shortcoming is his lack of self-discipline as far as his personal self is concerned. This has resulted in subject's inability to observe normal working hours ~~as far as~~ reporting for duty ~~in accordance~~. It is not meant to infer that subject has been lax in total number of hours devoted to his job, rather he is inclined to set his own schedule, claiming illness as the cause. In considering the above, it should be kept in mind that subject has been in the field over three years, and is overdue for a mental and physical rest. It is recommended that subject be considered for a Headquarters assignment in a senior operations capacity.

OUTSTANDING ASSETS AND/OR SERIOUS LIMITATIONS SHOULD BE STATED ALSO REASONS FOR AND RECOMMENDATIONS AS TO REASSIGNMENT WILL BE GIVEN IF APPROPRIATE TO THIS REPORT.

This employee is young in years and has handled his duties in a very satisfactory manner. He is full of the education in knowledge, his duties have been particularly delicate in the liaison capacity and in handling operations with the 1st Army. He is recommended for retention at this level, but reporting officer believes action should be taken for a promotion six months.

(IF ADDITIONAL SPACE IS REQUIRED ATTACH EXTRA SHEET)

12. ADD-LEAD OFFICER OR CHIEF OF STATION SHALL BE CODED WITH THIS REPORT. EXCEPTORS SHALL BE STATED IN SPACE PROVIDED ON THE REVERSE SIDE HEREOF.

UNDER NO CIRCUMSTANCES IS THIS REPORT TO BE GIVEN TO THE EMPLOYEE REPORTED ON

1. THE REPORTING OFFICER AT THE FIELD STATION SHALL IMMEDIATELY SUPERVISE, IN OTHER WORDS THE PERSON WHO IS PERSONALLY BEST QUALIFIED IN THE EMPLOYEE'S WORKING EFFICIENCY. HOWEVER, DEPENDING UPON CIRCUMSTANCES, THE CHIEF OF STATION MAY NOT WISH TO ENLIGHTEN THE IMMEDIATE SUPERVISOR WITH THIS RESPONSIBILITY. IN ANY CASE, THE CHIEF OF STATION WILL CHANGE OR MODIFY THE RATING OF THE REPORTING OFFICER WHEN SUCH CHANGES OR MODIFICATIONS ARE CALLED FOR. THE CHIEF OF STATION IS ULTIMATELY RESPONSIBLE FOR THE ACCURACY OF FACTS AND STATEMENTS WHICH APPEAR ON THE STATION AND EFFICIENCY REPORT. IN MANY CASES, ESPECIALLY IN A SMALL UNIT, THE CHIEF OF STATION MAY WISH TO FILL OUT ALL THE REPORTS HIMSELF.

2. IN ADDITION TO THE ANNUAL REPORT, THE FOLLOWING SPECIAL REPORTS, UTILIZING THE SAME FORM, WILL BE RENDERED:

- A. UPON COMPLETION OF FIRST NINETY (90) DAYS OF SERVICE AT A STATION.
- B. UPON RELIEF OR REASSIGNMENT OF REPORTING SENIOR.
- C. UPON DETERMINATION OR RECOMMENDATION THAT AN EMPLOYEE IN A FIELD STATION SHOULD BE REASSIGNED TO ANOTHER STATION OR RETURNED TO D.C. FOR REASSIGNMENT OR OTHER DISPOSITION. SUCH REPORT WILL BE FORWARDED SO AS TO REACH THE WASHINGTON HEADQUARTERS AT THE EARLIEST POSSIBLE DATE AFTER SUCH REASSIGNMENT DETERMINATION IS MADE. IF POSSIBLE, THE REPORT SHOULD BE SENT IN AT LEAST THREE MONTHS PRIOR TO PROPOSED REASSIGNMENT IN ORDER THAT ALL TIME POSSIBLE MAY BE DEVOTED TO APPRAISAL AND EVALUATION. IF CONSIDERATION OF REASSIGNMENT IS BEING GIVEN WITHOUT EMPLOYEE'S KNOWLEDGE, ITEMS 1 TO 6 WILL BE FILLED IN AS FAR AS POSSIBLE BY THE RATING OFFICER WITHOUT REFERRAL TO EMPLOYEE.

3. IN FAIRNESS TO THE INDIVIDUAL BEING RATED AND IN THE INTEREST OF THE GOVERNMENT, THE IMPORTANCE OF CAREFULLY PREPARED AND ACCURATE EFFICIENCY REPORTS CANNOT BE OVERSTRESSED. THE FOLLOWING BASIC PRINCIPLES OF RATING SHOULD ALWAYS BE KEPT IN MIND:

A. ALWAYS BASE YOUR JUDGMENT ON:

- (1) WHAT YOU HAVE OBSERVED THE INDIVIDUAL DO OR FAIL TO DO.
- (2) TYPICAL PERFORMANCE, NOT ON AN ISOLATED STRIKING INCIDENT.
- (3) EXAMPLES RELEVANT TO THE CHARACTERISTIC UNDER CONSIDERATION.

(A) THE EFFICIENCY REPORT IS TO BE USED TO RATE ALL CIVILIAN EMPLOYEES. BUT REPORTING OFFICERS SHOULD BEAR IN MIND THAT DIFFERENT STANDARDS PREVAIL IN DIFFERENT ASSIGNMENTS WHEREAS IT IS NECESSARY, FOR EXAMPLE, THAT AN INTELLIGENCE OFFICER POSSESS INITIATIVE, THIS SAME TRAIT IS NOT ALWAYS DESIRABLE, EXCEPT IN A MINOR WAY, FOR A TYPIST. THE RATINGS AND EVALUATIONS SHOULD BE IN REFERENCE TO THE JOB - THE ACTUAL WORK ASSIGNMENT FOR WHICH THE PARTICULAR EMPLOYEE IS BEING PAID. EVERY EFFORT SHOULD BE MADE TO ARRIVE AT A JUST ESTIMATE OF THE QUALITY OF THE PERSON REPORTED ON FOR THE PERIOD COVERED BY THE REPORT. AVOID EXAGGERATIONS AND SUPERLATIVES; THEY DETRACT FROM THE VALUE OF A REPORT AND ARE UNFAIR TO OTHERS.

B. BIASED OPINIONS BASED ON PERSONAL LIKES AND DISLIKES MUST BE SCRUPULOUSLY AVOIDED. IT SHOULD BE BORNE IN MIND THAT THE PREPARATION OF EFFICIENCY REPORTS IS AN IMPORTANT FUNCTION OF ALL SUPERVISORS OF EMPLOYEES, AND THE ACCURATE AND TRUE EVALUATIONS EXPRESSED THEREIN ARE A DIRECT REFLECTION UPON HIS OWN ABILITY AND QUALIFICATION FOR THE POSITION HE HOLDS.

C. NO REPORTS WILL BE RENDERED COVERING PERIODS OF LESS THAN 60 DAYS OBSERVED SERVICE.

4. REPORTS WILL NORMALLY BE CLASSIFIED CONFIDENTIAL; HOWEVER, THE CLASSIFICATION MAY BE RAISED IF DEEMED ADVISABLE BY RATING OFFICER.

5. REPORTS WILL NEVER BE SHOWN TO THE EMPLOYEE REPORTED ON.

#### DISPOSITION OF REPORTS

1. REPORTS WILL BE FORWARDED TO THE APPROPRIATE BRANCH CHIEF IN WASHINGTON HEADQUARTERS WITHIN TEN (10) DAYS AFTER THE CLOSE OF THE REPORTING PERIOD.

2. IF THE REPORTING OFFICER IS THE CHIEF OF STATION, REPORTS WILL BE FORWARDED BY HIM TO THE APPROPRIATE BRANCH CHIEF IN WASHINGTON HEADQUARTERS.

3. IF THE REPORTING OFFICER IS NOT THE CHIEF OF STATION, THE REPORT WILL BE REFERRED TO THE NEXT IN COMMAND FOR REVIEW AND FINALLY TO THE CHIEF OF STATION FOR FORWARDING TO WASHINGTON HEADQUARTERS.

4. UPON RECEIPT OF REPORT IN WASHINGTON HEADQUARTERS, THEY WILL BE REVIEWED BY THE BRANCH CHIEFS PROMPTLY AND THEN REFERRED TO THE ASSISTANT EXECUTIVE FOR PERSONNEL FOR RETENSION IN THE PERSONNEL FILE OF THE EMPLOYEE.

A. IF A CHANGE OF PERSONAL STATUS IS REPORTED UNDER SECTION 6, ONE COPY OF SUCH REPORT WILL BE DETACHED AND SENT TO THE SECURITY OFFICE.

COMMENT:

Subject's grades speak better than any comments could. There is no question but that he brought more to the course and consequently had less to gain from it than any of his fellow students, which makes his performance the more worthy. His assistance to the instructors with Far East material is much appreciated.

OBJECTIVES AND CHARACTERISTICS OF THE COURSE

TRAINING OBJECTIVES: To provide the student with an understanding of the operational objectives, regulations, and procedures, and the basic policy considerations and operational security standards of the Clandestine Services of CIA sufficient to allow him to perform professionally an initial assignment under supervision within the DD/P organization. He should appreciate the effect of local conditions in determining the organization of a Field Station. MEMORANDUM FOR: Supervisors and Training Officers Concerned

SUBJECT: Training Evaluations for Phase III #2

1. Attached is a training evaluation for one of the students who completed Phase III Course #2.

2. This student participated in the second presentation of the revised five-week curriculum for this course. As the course develops, it is possible to provide more detailed reports of performance, as represented by the nine grades assigned in Section II, "Performance Record."

3. As a consequence of introducing new material, there was considerable delay in returning graded assignments to the students, and some of the later assignments were not graded until after the course was completed. Because of this, students did not have sufficient opportunity to profit from the errors in their earlier performances. This factor should be considered when interpreting the attached report.

MEMORANDUM FOR THE RECORD

SUBJECT : Retirement - Scott Miler

1. The retirement of Subject, effected as a result of a memorandum from the Head of his Career Service stating that he is surplus to the needs of the Service and that his retirement will be recommended to the Director under the provisions of the CIA Retirement and Disability System pertaining to involuntary retirement, in no way implies an adverse action. Subject signed an application for retirement of his own volition in order to qualify for an immediate retirement annuity. The liberalized criteria for such separations was established by the Agency to parallel similar action under the Civil Service Retirement System in accordance with FPM Letter No. 831-23, dated 10 December 1969.
2. Any inquiry received concerning the nature of the separation of Subject from the Agency should be confirmed simply as a retirement.

MEMORANDUM FOR: Secretary, CSOS Board

SUBJECT : Recommendation for Promotion -  
Newton Scott MILLER

1. This is a recommendation for promotion for Mr. Miller from Grade GS-15 to GS-16.

2. The career of this officer has been notably marked throughout with relatively important responsibilities for his age. His youth, intense drive, initiative, self-assurance, capacity for work, natural talent for determining the objectives, recognizing the problem, organization of the work to be done, maintaining and supervising the effort, have long been evident to those for and with whom he has worked. Years of service during which he has steadily entered has resulted in a recognition, by supervisors and subordinate fellow-workers alike of his unusually wide experience, proven soundness of judgment, organizational, administrative and executive talent coupled with powers of expression both oral and written and demonstrated capacity for work. He is unquestionably a very outstanding officer.

3. Having entered on duty as a Code Clerk (GS-05) in October 1946 following a A.B. degree in Economics from Dartmouth College in a Navy V-12 Program, he was soon assigned to Hawaii where he remained a short period before a T-4 assignment to open the communications station in Seoul, Korea. He was assigned to London and Antwerp, Manchuria from April 1947 to June 1947 where despite being barely 21 years of age and an official designation as Code Clerk at Grade GS-5/7, he conducted Agent operations into Korea, USSR and China. He handled liaison with Chinese officials and counter intelligence work with A-2 officers. His talents were recognized and shown

After training at Headquarters, he was assigned to Shanghai as an Intelligence Officer. There he performed as a Case Officer and engaged in stay beyond planning, supervision of other junior Case Officers, and assisted in the evacuation of other CIA officers. Before he was 25 years of age, he established the station and served as Chief at [redacted], for some 20 months (1948-51).

4. No attempt will be made to list here the many and varied assignments and successes he has had in this long and youthful career. He has successfully engaged in all types of operations - FI, CI, CA including FI and FA, but his principal talents have been in the Counter Intelligence, particularly Counter-Espionage field. His experience includes service as Chief of Station, Senior Case Officer, Senior Staff Officer, and since September 1964, Deputy Chief of the Special Investigations Group of the CI Staff where he has had a major responsibility in the supervision of senior grade Counter Intelligence officers as well as their personality and directly active in matters of great complexity and difficult security considerations. In his service in that capacity he has demonstrated his outstanding abilities as a Counter Intelligence officer. He has carried a substantial portion of the work load of his office including supervision of both clerical and officer personnel, limited with all elements of the Agency and other intelligence and security services of the Government as appropriate.

5. His executive ability, thoroughness, usefulness of work product, energy, speed, proficiency, initiative, clarity of written and oral expression, managerial skill, experience, soundness of judgment, selflessness, tact, considerate and objective approach to his responsibilities and performance of duties, intense application of craftsmanship, leadership, dependability, resourcefulness and general high professional competence make him an outstanding highly valuable officer to the Agency. It is recommended that he be promoted to Grade GS-16.

Dear Scott:

The Office of Security is most grateful for the excellent presentation you made at the recent seminar of Special Agents.

Participating officers were certainly alerted to the very real challenge we face in maintaining personnel security. Your lecture was most enlightening to this group and should put their work into a new perspective.

We hope you will be able to assist us in our future training sessions.

SUBJECT: Letter of Appreciation

During the week of July 8 - 12, 1968, the Office of Security held a seminar for selected State Department overseas security officers. Among the multitude of subjects on the agenda, I considered none more important than personnel security. I was, therefore, immensely pleased that Mr. Scott Miler accepted our invitation to speak on "Foreign Intelligence Operations Against U. S. Personnel."

Citing statistics from his extensive research, Mr. Miler impressed us with the magnitude of hostile targeting efforts against Americans overseas. After this informative briefing, he engaged the conference in a productive exchange of views on solving problems of mutual concern.

I am most grateful to you for permitting Mr. Miler's participation in our Regional Security Officer Seminar and hope that you will extend to him my appreciation for his excellent talk.

MEMORANDUM FOR MR. N. SCOTT MILER

VIA: Director of Central Intelligence

SUBJ: Expression of Appreciation (U)

0187-0619

1.(U) I hereby express my appreciation for service of the highest degree of excellence provided to my office during the past several months. You displayed professional competence that can only be described as exemplary in nature.

2.(U) It is unfortunate that the work on which you performed is of such a nature that it precludes a specific description herein, but that need not detract from the significance of this message of approbation. Of all the attributes displayed, the two most worthy of note are your use of imagination and persistence. These two qualities enabled you to produce results which others had not been able to obtain. Near failure was transformed into success.

3.(U) Not to be ignored is your administrative ability. The marshaling of resources available to you and coordination of the efforts of your available personnel contributed materially to the degree and quality of results obtained as well as the expeditious manner in which you proceeded. Also, selflessness was manifested by your willingness to ignore assigned working hours and press on as long as any hope existed for obtaining results.

4.(C) As you are aware, the results achieved by you have significance beyond the boundaries of the Navy. The full import cannot be completely evaluated at this time but it is known that the lives of many persons will be enriched by your efforts. It is regretted that all persons affected will not have the opportunity to express their thanks to you in person for the part you have played.

5.(U) On behalf of all persons who will benefit from your efforts, and on behalf of the Navy and myself, I again express my deepest appreciation and say to you a most hearty "Well done".

6.(U) If it is consistent with the policy of your Agency, it is requested that a copy of this letter be made a part of your official record.

SUBJECT: PERSONNEL QUALIFICATION QUESTIONNAIRE

1. The Agency is currently revising the system for machine coding employee qualifications, thereby permitting more complete and accurate data on all personnel. The new system will aid in implementing Agency policies on promotion from within by facilitating the selection of personnel with desired education and experience for vacancies which may occur. It is also expected that the new system will provide readily accessible statistics for planning and management purposes.

2. The attached questionnaire is designed to cover adequately those factors in which the Agency is interested. Although the information is, in a large measure, already reflected in previous forms submitted by you, it is felt that your time within the organization may enable you to emphasize those qualifications pertinent to its needs. The questionnaire also serves to bring your education and qualifications record up to date.

3. Your cooperation is requested in completing the questionnaire as thoroughly and accurately as possible and returning it to your Administrative Officer within the time allotted.

This form should be returned to H.C. Clinkscale, Room 1615 J Building by 26 February 1954.

CHC. 17.

In the Spring of 1948 I was questioned by a Postal Inspector about a letter I had mailed approximately one year previous for a Mr. Halren. He was the Display man for Allen and Jerison Hardware Co. in Tuscaloosa, Ala. I had been working with him for some time dressing windows, painting and decorating.

The letter in question was addressed to Mrs. Halren, who was out of town, and supposedly contained some money. I believe it was a dollar. The letter was received but there was no money in it.

I stated that I had known nothing of any money and that I also had had a fellow with me when the letter was mailed. I wrote to Mr. Halren about the incident but never heard from him.

There were apparently no further inquiries as I have heard nothing since the Postal Inspector questioned me.
